

GRIGG LEWIS FOUNDATION, INC.

2022-2023 GRANT FOLLOW UP REPORT - INSTRUCTION SHEET:

Our Follow Up Grant Report now consists of three sections:

Section I: is a cover sheet asking for general grant information. You may type directly onto this sheet.

Section II: is a narrative. It consists of a series of questions that have been designed to prompt your reflection and report on your experiences and learning, and to assist us both in monitoring and assessing your grant experience and outcomes. Please draft your narrative separately, in paragraph form, and number the answers to your questions.

Section III: requires the submission of your organization's current Balance Sheet and Profit and Loss. Please attach them to your Follow Up Report and submit via email to griggLewis@griggLewis.org. As an alternative to the P&L and Balance Sheet, you may submit a copy of an Income / Expense Report. We provide an Excel template of an Income/Expense Report on our website at: <http://griggLewis.server284.com/follow-up-report/>. The template provided is a generic example. Please customize the template to suit your agency and project, and return with your Follow Up Report via email.

This Follow Up Report is to be signed by both your executive director and board president. If you have questions regarding the completion of this form or would like to attach additional materials, please contact our office or your grants administrator.
